Renewable resources: 86% landfill gas, 14% solar and less than 1% wind located in South Carolina. Participation in Green Power is voluntary by Tri-County Electric Cooperative and its member-owners. A member-owner may discontinue participation in Green Power at any time. Tri-County Electric Cooperative and Santee Cooper may alter, amend or end Green Power at any time. Santee Cooper Green Power is Green-e Energy certified and meets the environmental and consumer-protection standards set forth by the nonprofit Center for Resource Solutions. Learn more at [www.green-e.org](http://www.green-e.org).

**\*1 block = 100 kWh or about 10% of a typical household's monthly energy use. Each block will add an extra \$3 to your monthly electric bill.**
